FOR RLNZ LEARNERS

Approved Filler online training

Finish what you started with RLNZ — complete your practical and certification with ATNZ.

THE COURSE

Meets WorkSafe requirements for an **Approved Filler Compliance Certificate** — you're issued a licence card and certificate by our Compliance Certifier (renewable every 5 years). Unlike other courses, ours covers the properties of **all refrigerant gases, including flammables**.

HOW IT RUNS

01 eLearning in Canvas our LMS + online theory question sets

02 Practical assessment verified by a Certified Approved Filler

03 Short oral assessment with a Compliance Certifier - if required
